This area can be laid out with tables for buffets or formal meals, left empty to maximize the fantastic space for dancing, or a combination of the two.

Drinks

Bars – All our vessels have a bar on every level serving a wide range of beer (from £4.20), wines (from £4.20 per glass), spirits (from £4.20 with mixer) and soft drinks (from £1.80).

Should you want to offer your guests a 'free' bar we can set up an account for you, which can be settled at the end of the function by cash, debit or credit card (credit cards incur a 3% + VAT surcharge).

If you wish, account bars can be limited to a certain amount, after which time they revert to cash, or can only allow certain drinks, for instance beer, wine and soft drinks but not spirits. There is no extra charge for these restrictions.

Reception drinks – A nice touch. Pre-order drinks which are laid out for your guests as they board the boat. A wide range is available including champagne and Bucks Fizz, as well as seasonal alternatives such as Pimms or mulled wine. Prices start from £4.30, with soft drinks from £2.70

Cocktails and Mocktails – Why not add a bit of glamour to your function with our popular cocktails (£6 each) or non-alcoholic mocktails at just £4 each.

Wines and champagnes – A small selection of red and white wine, champagne and sparkling wine is carried on board all our party boats. We also have a more extensive wine list which includes a selection of French and New World wines and champagnes, which is available to be pre-ordered.

Alternatively should you require a specific wine or champagne we are happy to try and source this for you.

Corkage – Unfortunately corkage is not available on weekends. Should you wish to bring on your own wines or champagnes our corkage rates for Monday to Thursday functions are as follows:

Still wines £5.50 per bottle plus VAT
Sparkling wines £6.50 per bottle plus VAT
Champagnes £9 per bottle plus VAT
(All prices based on 75cl bottles)

All corkage must be pre-booked with the office.

Entertainment

There are many ways to entertain your guests on board our vessels. If your favourite is not listed please contact the office for a personal quote.

DJ and disco - Far and away the most popular entertainment is our resident DJ and disco, guaranteed to keep you all on the dance floor until the end of the night. You may however prefer to bring on your own DJs, either with their own equipment, in which case a small surcharge is levied to cover the cost of our music licences, or you can hire the vessel's DJ equipment.

Live Music – We can organise live bands from a demure string quartet to a rowdy rock 'n' roll combo. Whilst on the Golden Star you may wish to keep to a 2 piece for size reasons, all the larger vessels have ample space for a four or even five piece band. Alternatively you can provide your own band for a small surcharge.

Club nights – Our larger vessels Golden Jubilee and Golden Flame play regular host to a wide range of club nights from all over the country. We believe in working closely with you as promoter to make sure that your function goes as smoothly as possible, ensuring you get maximum return on your investment, and, more importantly, return to us for your follow up events year after year.

We pride ourselves on offering unrivalled support from the very beginning. At the initial stage a member of our crew will show you round the different boats explaining the various pros and cons of each venue. During the run up to the function your event organiser will assist with timings, DJ equipment questions and pier locations, and we can even help with promotion by featuring your event on our website. As our many repeat club promoters tell us, the best bit about a Capital Pleasure Boats party is knowing everything has been so well organised that during the party you can sit back and just enjoy the music.

Casino Tables – A chance to live like a high roller for the night. We provide full size gaming tables, complete with professional croupiers, chips and fun money for your guests to experience the thrill of Vegas. Choose from Roulette, Blackjack, Craps, Poker and Wheel of Fortune.

Table Entertainers – A very popular choice, table magicians and caricaturists circulate amongst your guests during the function, dazzling up close with their sleight of hand and witty caricatures.

Face painters – A fun idea for club parties, birthdays from 1 to 100 or even dare we say it kids parties! Talented artists can transform full faces or place simple cheek motifs to liven up any event.

Photo booth - A photo booth is a great way at entertaining your guests at any event and takes away the worry of capturing those special moments. You and your guests can step into the booth, dress up in the large range of props provided and select a background from the interactive green screen. Four pictures are taken within 5 seconds of each other with two copies printed out within 10 seconds - one picture for your guest and one for your guest book. As an added touch the printed photos can be personalised with your names, company logo or other text. Additionally if feeling brave guests can record a 10 second video clip. At the end of the evening all of the images and videos will be copied onto a disc for you to keep.

Price includes booth hire, attendant, all props, video with green screen, 2 copies of all pictures and memento disc of all pictures and videos. A great idea for weddings, birthdays, office parties, corporate events, club do's and so many more.

Decorations

Helium balloons – The most popular choice. Helium balloons in your choice of colours, filled and decorated by us. A great way to make a statement.

Rope lighting – Simple but effective. Rope lighting is twined around pillars and the back deck railings. An inexpensive way to make a great effect.

Flowers – a traditional décor for weddings or other functions.

Although these piers can be used by our vessels they are subject to availability and some are also subject to favourable tides.

*London Bridge City and Canary Wharf piers can be booked for any of our vessels however times are very restricted due to a busy schedule of commuter services.
