CPBS has a strict Under 21's policy; if more than 5% of passengers are under 21, please contact the office before submitting your Provisional Booking Form for details of our under 21's policy. Failure to do so may result in the cancellation of your function.

### Security Bond

A security bond may be required by CPBS in connection with any booking and payment of the bond will be due 14 days before the function. The bond will be returned in full no later than 7 days after the function providing no additional costs have been incurred (including but not limited to unauthorised alcohol, delay to the end of the function, or loss, damage or excessive mess to the vessel, equipment or furnishings, the discovery that information given by the clients on the provisional booking form is in any way false.)

In the event that a security bond is not taken or the amount of the bond is less than any charges incurred

(including but not limited to the reasons listed above) CPBS reserve the right to invoice for these additional costs.

The organiser is invited to inspect the vessel prior to embarkation of the party.

### **Promoted Events**

All functions selling tickets should be promoted as over 21 events.

A 696 Promoters Risk Assessment form must be completed and returned to the office one month before your function date. Failure to complete this may result in the Police cancelling your function and in this situation no refunds will be given.

A 10% boat hire discount is available for all promoters who have successfully qualified in the BIIAB Professional Award for Music Promoters\*

### **Captain's Control of the Vessel**

The vessel will remain under complete control of the Captain and/ or his crew during the entire hire period. If for weather, tidal or other reasons the Captain considers it necessary to vary the scheduled trip, his decision will be final. The Captain has the right to refuse passage to any person or persons and the reasons for such a refusal need not be stated.

### **Set up /clear away**

We endeavour to allow up to 60 minutes free set up time at Temple pier before a function, however this cannot be guaranteed. Should you require any of the set up time please let the office know at the time of booking, if set up time is not requested it will be assumed it is not required. Any clients requiring more than an hour set up time must book additional hours which will be charged at the normal hourly rate.

During the free set up time CPBS reserve the right to clean and re-stock the vessel, take deliveries and conduct viewings.

The vessel may not be on the pier upon arrival and you may need to be taken across the river in a small crew boat. If this is the case it will involve a steep step down on to the boat and suitable footwear should therefore be worn.

Passengers permitted onboard during the set up time are restricted to a maximum of 4 people actually helping to set up. Any other passengers will be asked to disembark until the boat is ready for boarding.

Clients using a pier other than Temple are welcome to remain onboard and travel with the vessel to their chosen embarkation pier.

### **Embarkation / Disembarkation**

The vessel will endeavour to be ready for boarding 15 minutes before the requested embarkation time; passengers will not be permitted onboard before this time regardless of weather conditions. Organisers are requested to pass this information on to their party to ensure they arrive at the correct time.

The vessel will endeavour to leave the pier at the requested time and anyone not onboard will be left behind. CPBS will not be responsible for late passengers missing the function. Should the vessel be delayed at the pier due to passengers or any suppliers booked by the organiser which leads to additional pier charges, these will be payable by the organiser.

At the end of the function the boat will endeavour to arrive at the chosen disembarkation pier 15 minutes before the end of the function which is when the bars will close and lights will be turned on. For health and safety reasons music may not be played and lights must be turned up from this point on. Passengers will then have 15 minutes to finish their drinks and disembark. All passengers must have disembarked by the end of the function. Passengers delaying the end of the function will incur additional hourly charges at the appropriate rate and these will be billed to the organiser.

### **Beverages**

Clients are not permitted to bring any alcohol onto the vessel except by prior arrangement. Any unauthorised alcohol found on the vessel will be confiscated. In the event that unauthorised alcohol is consumed on the vessel CPBS will charge a corkage fee and the Captain reserves the right to terminate the function. Any person deemed to be unduly under the influence of alcohol or drugs will be refused service and in this instance the bar manager's decision will be final.

### **Catering, Entertainment and Security**

CPBS catering, entertainment and security services are subcontracted. We will always do our best to provide the service as confirmed but if because of exceptional events outside of our control, including but not limited to major traffic incidents, severe weather, acts of God or terrorist attacks, the service cannot get to the pier in time for the start of your function we will not be held liable for any loss of cruise time or costs of replacement services. In the very unlikely event that services cannot get to the pier for your function we will refund any prepaid amounts in full, and will endeavour to procure substitutes at client's cost if required.

**Health and Safety**

Any passengers perceived to be under the influence of alcohol or drugs will be refused entry to the vessel. Anti-social behaviour towards other guests, staff or CPBS property will not be tolerated onboard any of our vessels. Should this occur the Captain may decide to call the local authorities and/or remove the persons(s) responsible from the vessel at the nearest available pier and in this instance the Captain's decision will be final. Due to the tidal nature of the River Thames the walkway to the pier can be steep at certain times of the day. Our crew are always on hand to offer help to the elderly, very young, disabled or anyone else who may need assistance.

A safety announcement will be given by the Captain at the start of your function.

To reduce the danger of slips, trips and falls, drinks should not be taken onto the dance floors.

It is recommended that low heeled footwear is to be worn onboard any moving vessel. CPBS will not be held responsible for any accident or injury caused by inappropriate footwear being worn.

So called 'legal highs' are not permitted on any of our vessels and anyone found in possession will have them confiscated and destroyed, and may be asked to leave the vessel and in this situation no refunds will be given.

**PLEASE NOTE: CPBS operate a policy of zero tolerance on drugs.**

**Clients' obligations**

It is the organiser's responsibility to ensure that all members of their party are conversant with these terms and conditions of hire. The organiser will be deemed responsible for the behaviour of the passengers.

If permitted corkage must be prearranged and prepaid and will be charged on any wine, sparkling wine and champagne brought onboard at the current rates. Corkage charge covers storage, chilling and pouring wine, sparkling wine or champagne in real glasses.

All drinks from the bar are served in plastic glasses. Soft drinks, spirits and mixers, half pints of lager and wine are served in plastic tumblers, pints of lager are served in plastic pint glasses and champagne is served in plastic flutes. If a client requests real glasses we require additional bar staff to collect, wash and dry glasses and these costs will be passed onto the client. The number of bar staff required is dependent on passenger numbers. Real glassware is dependent on passenger numbers and vessel being hired.

**Bar staff**

If extra bar staff are required these are charged for the duration of the function plus one hour set-up and one hour clear-up (a total of two extra hours).

**Bar**

On functions where more than 10% of guests will not be drinking alcohol, the office should be notified in advance of the booking as a surcharge may apply.

Onboard the larger vessels, one of the bars may remain shut or be closed during the function if numbers drop and/ or demand is low. If passenger numbers are below 150 the lower deck bar will be closed and the upper deck bar will be open for the duration of the function. Clients wishing to have both bars open for the entire function should liaise with the office at the time of booking their function as a charge for extra bar staff may

(Ver ) January 18

apply.

Account bars can be operated on a specific drinks system, i.e. beer, wine and soft drinks only, and any drinks not available within the account will remain available for purchase by individuals. Clients who run an account bar during their function and require an itemised receipt must request this from the Bar Manager at the beginning of their function. We regret that itemised receipts cannot be supplied once the bars have been closed.

Clients purchasing pre-paid wine or champagne will receive a refund after the function for any unopened bottles. Due to our licence no opened bottles or drinks may be taken from the vessel and the organiser should liaise with the Bar Manager towards the end of the function if they are concerned about wastage.

### **Catering**

There is no requirement to have catering onboard our vessels.

Clients using CPBS caterers must cater for all passengers onboard. All CPBS catering will be served with disposable plates, cutlery and serviettes, if you would like china, cutlery and linen these can be booked at additional cost. Should clients wish to use their own caterers then a surcharge will apply. The surcharge will apply to everyone onboard. On vessels equipped with a galley the surcharge covers use of the galley, hob, microwave and waste disposal. For vessels without a galley the surcharge covers waste disposal. The surcharge does not include use of any cooking utensils (pots, pans, wooden spoons etc), crockery, cutlery or linen. Under no circumstances does the own catering surcharge include 'own beverages'. CPBS does not permit any drinks (soft or alcoholic) to be brought onboard.

If using the galley for own catering clients are responsible for fully cleaning this area at the end of the function. If the galley is not left in a clean condition additional charges will apply.

### **Tables and chairs**

Our tables are trestle tables which seat a maximum of 6 people, 3 per side. The amount of tables and chairs vary depending on vessel and whether or not catering is ordered. Copies of the seating plans can be obtained upon request. If additional trestle tables, round tables, or gilt chairs are required then these can be ordered in at an additional cost. All tables are covered in a damask catering roll. If using CPBS caterers then linen can be requested for an additional cost.

### **Entertainment**

There is no obligation to have entertainment on board but if required CPBS can provide a full range of entertainment. Clients wishing to provide their own entertainment onboard may do so for a surcharge.

If our equipment is used then a security bond may be taken (in addition to the hire charge), this is refunded after the function as long as there is no damage to the equipment.

Noise limiters are fitted on our vessels in order to comply with current noise regulations and these are under the Captain's control at all times.

### **Laying alongside a pier**

We are able to spend part of a function alongside a pier. This must be booked through the office at the time of confirming your function at additional cost.

The time spent alongside must be before 2300 hrs and is subject to availability and relevant pier charges.

### **Lost and Left Property**

CPBS is not responsible for any items lost whilst on our boats. Any items found at the end of a function will be held for 7 days and must be collected from Temple pier. Any items not collected after 7 days will be discarded. We regret clients are not permitted to leave anything on vessels after their function. All equipment, decorations and any other items must be removed at the end of the function.
