Under 21's Policy

- Full hire rates apply, please contact the office for availability as we do not permit under 18's on the vessels without prior agreement from the office.
- Should under 18's be attending the event an alcohol-free bar may be required.
- All functions to finish before midnight
- One teacher / adult (over the age of 25) required for every 15 under 21's, if the ratio of over 25's to under 21's is not enough on the night then the remaining numbers of minors will not be allowed onboard the vessel. If you are unable to fulfil this ratio, we can organise for additional security operatives to be onboard. This will be payable by the organiser.
- A passport or photo driver's licence will be required for passengers to purchase alcohol. Please note only these two forms of ID will be accepted and they **must** be originals.
- A damage deposit between £250 and £500 will be required, this is payable with your final invoice, this will be refunded within five working days as long as no damage has occurred to the vessel or any additional costs been incurred.
- A minimum bar spend will apply to your event. The minimum bar spend will be higher during peak seasons.
  The minimum bar spend is paid by you prior to the event, then on the night we can then either run the bar as a normal pay as you go bar or as an account bar:
  - If run as a pay as you go bar then after the event you will be refunded the lower of either the prepaid amount or the total taken over the bar at the end of the night.
  - If run as an account bar then your guests have a 'free' bar up to the pre-paid amount. If the spend goes over the prepaid amount, then you can choose to put more money on the account, or the bar will switch to a standard cash bar. If the spend is less than the prepaid amount then no refund is due.
  - The minimum bar spend can be converted into drinks tokens which will be given to the organiser at the beginning of the function to be distributed to your guests.
- Security staff will be required, this charge will be added to the balance invoice.

Above all we want you to enjoy your function with CPBS, if you have any specific requirements, please let us know
