Golden Flame DJ Equipment Hire

Full equipment hire £78 per hour (£65ph + VAT)

- 2 x Pioneer CDJ 3000
- Pioneer DJM-A9 mixer
- 2 x Yamaha P7000S amplifiers
- 2 x 15” mids Martin Audio Blackline
- 2 x 18" bass bin speakers
- iPod dock

Second set equipment hire £54 per hour (£45ph + VAT)

To have a second level of music:

- 2 x Pioneer CDJ 2000
- Pioneer DJM 800 mixer
- 2 x QSC Kw153 speakers

Please note that this system does not include amp or crossovers
We only have 1 set of this equipment so it cannot be guaranteed if another boat is using it.

Playlist plug in £31.20 per hour (£26ph + VAT)

Speaker hire only is available for plug in devices playing pre-set playlists. Connection is via a 3.5mm aux cable and plugs into the headphone jack of your device.

- 4 x 15” mids Martin Audio Blackline
- 2 x 18" bass bin speakers

If you have a newer model of iPhone we will have lightning to aux adapters onboard. We recommend downloading your music before you board the boat as data connection on the river can be quite patchy.

Noise limiters are fitted on our vessels in order to comply with current noise regulations and these are under the Captain’s control at all times.

MCing is not permitted on our boats under any circumstances, microphones may be used to make important announcements, but these must be brief and at a reasonable noise level. Persistent or too loud use of microphones may result in the music being stopped**.**

Disco Lighting – always included

- 2x Equinox Hot Rod MKII Moving Head
- 2x Equinox (Shard 60watt led moonflower)
